

Parents/Guardians,

You child has been selected to perform with the Belton High School Color Guard. This summer we will work to create several routines that will be performed in the upcoming marching season. You should have received a "Color Guard Handbook" that explains what is required of your student, including the monetary commitment. On page eight (8) of the handbook, there is an outline of costs that school staff will facilitate. (See the Guard Webpage for a copy of the handbook) Below is a list of costs and their due dates. Please sign and return the bottom portion of this form on or before May 31 with your first payment. By signing and returning this form you are accepting the responsibility to pay the below items. Please understand that you will still be held financially accountable, even if your child decides to leave the guard or asked not to return. It is critical that all monies are paid on the due date to ensue the team has what is required. Please Contact me if you have any questions or concerns. I am very excited for a new season and working with these talented students!
